

REMARKS

This Amendment is in response to the Notice of Non-compliant Amendment mailed on May 9, 2006. The amendments presented in the Preliminary Amendments of December 5, 2000 and October 26, 2005 are resubmitted herein for consideration. Claims 1-20 are pending. Claims 1-14 have been amended herein, and claims 15-20 are newly added. It is submitted that no new matter has been added. Entry and consideration of the amendments and following remarks is respectfully requested

The specification has been amended to claim priority of international application PCT/FI99/00458, filed May 27 1999 and Finnish Patent Application FI 981286, filed June 5, 1998 in conformance with the application's new status as an application filed under 35 U.S.C. 111(a) as a result of the DECISION of the Office of Patent Cooperation Treaty Legal Administration, issued on or about September 20, 2005. A certified copy of Finnish Patent Application FI 981286 was previously submitted on October 21, 2005. No new matter has been added.

Since priority was previously submitted within the time period set forth in 37 CFR 1.78(a) and the information concerning the benefit claim was recognized by the Patent Office as shown by its inclusion in the filing receipt, a petition under 37 CFR 1.78(a) and the related fee are believed to be unnecessary pursuant to MPEP 201.11.

In the event that any other fees are required for the entry of this Response to Non-compliant Amendment, the Patent and Trademark Office is specifically authorized to charge such fee to Deposit Account No. 23-2820 in the name of Wolf, Block, Schorr & Solis-Cohen LLP.

Respectfully submitted,
Wolf, Block, Schorr & Solis-Cohen LLP
